Dear Mr Roger Tan,

On behalf of Singapore Children's Society, please accept our heartfelt appreciation for Core Enterprise Pte Ltd's fundraising efforts.

Fundraising has been especially challenging this year, with a significant fall in corporate donations as compared to past years due to the impact of COVID-19 as well as a slowing economy. We are heartened that in spite of the challenging landscape, kind corporates such as yours have gone the extra mile to rally your partners and the generous public to support our cause.

Thank you for fundraising for us through the National Giving-Moving Challenge. The successful campaign which raised \$1,255 (up till 16 September 2020) will support Singapore Children's Society in meeting the needs of the beneficiaries under our care during this crisis.

Once again, we are grateful to have your commitment towards our mission of bringing relief and happiness to children in need. Your generosity truly makes a difference, and we look forward to working closely with you to protect and nurture the building blocks of our nation.

Yours sincerely,

Joyce Teng
